FORMALDEHYDE EMISSIONS AND PRODUCT FLAME SPREAD RATING

Dear Valued Customer,

Genesis Products Inc. has and will continue to supply products as specified by our customers, and when requested to do so, test these products in accordance with applicable regulatory requirements.

When specified in a purchase order or upon written request by a customer, we will verify that the raw materials purchased to manufacture products supplied to our customers meet applicable HUD requirements, (as specified below). Genesis Products will also make available on our web site an electronic copy of our complete documentation from our supplier's certifications of these raw materials. Also upon request, we will provide product testing by an accredited third party laboratory indicating that our products meet HUD requirements.

- LAUAN MUST BE SPECIFIED AS LFE – “MR” OR “REG” LAUAN DOES NOT MEET HUD CFR 24 3280.308
